North East Ohio Chapter

INVITES YOU TO A SPECIAL

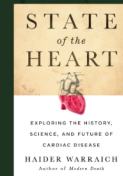

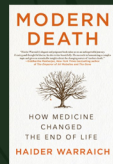

# Book signing

February 15th, 2025  
4-5 pm

Dr. Haider Warraich is a physician, writer, and researcher known for his work on medicine and public policy. He contributes to major outlets like the New York Times and Washington Post and has over 150 peer-reviewed papers in top journals.

He has authored several books, including *Modern Death*, *State of the Heart*, and *The Song of Our Scars*, which explores the cultural experience of pain. Dr. Warraich has appeared on various media platforms, including CNN, PBS, and NPR, to discuss his research and writing.

Dr. Rakhshanda Rahman is the Executive Medical Director at the MetroHealth Cancer Institute and a distinguished breast surgeon. She has made significant contributions to healthcare leadership and education.

Dr. Rahman authored "*Leadership Deconstructed*" and "*Breast Cancer: A Guide to Diagnosis and Treatment*", both of which provide valuable insights into leadership principles and cancer care. Her work in both academic and clinical settings continues to influence the fields of breast cancer treatment and healthcare leadership.
